DETAILED ACTION

This is in response to the restriction requirement dated April 22, 2004. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1-20 are currently pending in this application.

Election/Restriction

1. Cancellation of non-elected claims 21-22 by Applicant in the amendment submitted April 22, 2004 has been noted. Applicant may re-file said claims in a divisional application.

Specification

2. The objections to the specification set forth in the previous Office action have been **withdrawn** in view of the argument and amendment submitted April 22, 2004.

Claim Objections

3. The objections to the claims as set forth in the previous Office action have been **withdrawn** in view of the argument and amendment submitted April 22, 2004.

Claim Rejections - 35 USC § 102

4. The 35 U.S.C. §§ 102 and 103 rejections set forth in the previous Office action have been **withdrawn** in view of the amendment and convincing argument set forth by Applicant in the paper submitted April 22, 2004.

Allowable Subject Matter

5. Claims 1-20 are allowed over the prior art of record.

6. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the specific electrocoagulation treatment device which includes a plurality of reaction plate tabs integral with selected corresponding ones of said plurality of reaction plates, said reaction plate tabs having ends which are isolated from the flow of liquid in said housing, and a source of DC power providing line voltage to at least two of said tabs, but less than all of said tabs was not taught or suggested by the prior art of record.

Regarding claim 11, the specific electrocoagulation treatment device which includes a source of DC power communicating with a plurality of reaction plates, and a means for interconnecting said plurality of reaction plates to said source of DC power, said means for interconnecting including a plurality of tabs extending through a lower portion of said housing, and wherein less than all of said tabs are connected to said source of DC power was not taught or suggested by the prior art of record.

Art Unit: 1742

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
